Sponsorship Opportunities

- 2027 -

www.cravefla.org/golf

Hello!

We are thrilled to invite you to sponsor the first-ever Crave Classic Golf Tournament on **Thursday, March 4th, 2027**, at the Winter Park 9 Golf Course. This is a 9-hole, walking course in the heart of downtown Winter Park.

Proceeds from the Crave Classic will benefit **Crave of Florida**, a 501(c)3 (Tax ID # 85-8018189481C-9) **that builds skills and networks for Central Florida's local grassroots change-makers through a lifelong learning community.**

Now in our 9th year, with over 65 Central Florida graduates of our program, Crave offers a one-year incubation / acceleration experience for our participants, each of whom has a community-based project as a response to challenges they have faced directly. They receive personalized coaching and educational workshops with Central Florida business and nonprofit experts. These monthly workshops enable our participants to:

1. Build skills to further develop their Community Project
2. Develop personal and collective spiritual practices to tend their souls
3. Expand their networks through the Crave Community

The Crave Classic will **help Crave expand our vision of meeting Central Florida's community needs through professionally trained and spiritually grounded grassroots Leaders.** In addition to our annual cohort of Crave Leaders, Crave facilitates multiple college-age cohorts, training young adults to be effective community organizers. We are also building out robust, ongoing Alumni Acceleration programming.

Crave's Leaders develop projects around these five Impact Areas:

- Community Abundance: Health, Food, Belonging, and Advocacy
- Mental & Spiritual Wellness
- Closing Education Gaps
- Poverty Reduction: Homes, Jobs, and Financial Empowerment
- Thriving Children: Safe Spaces, Creativity, Growth, and Play

Sponsoring the Crave Classic has an immediate community impact through:

- Contributing to our Crave Leader Seed Money fund
- Contributing to our Alumni Accelerator fund – launching 2026
- Funding our Young Adult Cohorts
- Sponsoring our annual fundraising events

Crave's Donors include community leaders, local business owners, and other well-established local golfers, who are looking forward to playing and supporting Crave on the WP9!
